Ivonne Wren, PhD

YVONNE WREN is Director of Bristol Speech and Language Therapy Research Unit and Senior Research Fellow at the University of Bristol in the Faculty of Health Sciences. She obtained her PhD in 2005 from the University of Bristol and was awarded a fellowship from the National Institute of Health Research in 2011. She is Associate Editor of *Folia Phoniatica et Logopaedica* and chair of the Child Speech Committee for the International Association of Logopedics and Phoniatrics (Speech and Language Therapists).

Ivonne is a member of the Royal College of Speech and Language Therapists' Research and Development Reference Group and part of the International Expert Panel on Multilingual Children's Speech. In 2010, she set up the Child Speech Disorder Research Network and was chair of this national organisation until 2018. Together with her colleagues on the Australian Research Council funded Sound Start study, she was awarded the Editor's award for the Speech Section of the *Journal of Speech, Language and Hearing Research* for papers published in 2017.
